Circulation Desk Type A

Circulation Desk is a combination of sitting and standing heights, with desk shelves and tabletops surfaced with grey colour desk-top laminate. Models available in various sizes.

Circulation Desk Type B

## Wood Top Shelve

Especially useful for counter height shelving, the wood top shelves cover the entire shelving bay. The long edges are softly rounded. Wood tops are available for both single and double sided bays.

Softline add-on Sofa Chairs

## HB Softline Library Shelving System

HB Softline is a comprehensive library shelving arrangement, which fulfills the needs of any community or institutional library setup. HB Softline library system is based upon laminate sides and steel shelving composite scheme.
